

Religion in Personality Theory (Hardback)

By Frederick Walborn

Elsevier Science Publishing Co Inc, United States, 2014.
 Hardback. Book Condition: New. 229 x 165 mm. Language: English . Brand New Book. Religion in Personality Theory makes clear the link between theory and research and personality and religion. Presently, most personality texts have a limited discussion of religion and reference few theorists other than Freud and Maslow in relation to the subject. This book reviews the theory and the empirical literature on the writings of 14 theorists. Every chapter concludes with a summation of the current research on the theorist s proposals. Reviews: Frederick Walborn has written an excellent text that explores the degree to which classical personality theorists were personally influenced by and focused upon religion in developing their personality theories. Each theorist is presented in sufficient detail so that their personal views of religion are seen to influence the theories they developed. In addition, the current status of the empirical evidence in the psychology of religion is explored in the context of the theorist and theory to which the data is most relevant. Current and up to date, this text is appropriate for either a course in Personality or as an introduction to the Psychology of Religion. The...
