## Learning a First Language: Selected Poems and Prose (Paperback)

By Ellen Ray

iUniverse, United States, 2007. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Learning a First Language is a complex and beautifully crafted collection of skillfully interwoven poetry and prose that explores the themes of memory, regret, hope and the relationship between art and passion. It begins with love, a reactionary stream of consciousness poem written in response to an unexpected and unsolicited marriage proposal, and ends with the final chapter of the author s meandering narrative account of a character known only as The Artist. His story twists and turns its way through the text, shedding light on both the inspirations and contrary emotions that shape Ray s poetry. Blending elements of fiction and memoir, this collection provides readers not only with a glimpse into the author s personal experiences with love and loss, but also with a universal love story that reminds us of the importance and necessity of loving with abandon.
