Algebra for Tutoring: Book 1: Basics of Algebra (Paperback)

By Rubik Yegoryan, Hayk Yegoryan

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 2nd. 280 x 208 mm. Language: English Brand New Book ***** Print on Demand *****.The Algebra For Tutoring, Book #1, Basics of Algebra book was written following the concept of few words and many formulas and exercises. We hope this book will be useful for tutors, those being tutored, specialists, college, and school students and teachers, as well as others who wish to improve or enforce their, or their students, knowledge in general mathematics and in the Basics of Algebra particularly. The book may also be useful to those who wish to study mathematics on their own. There are no other books like it in the market. The books that come closest to being competitors are current textbooks, which are, however, not directed toward tutors and their students, and are hardly good for self-study. The book, though written in a simple manner, allows for a broad, deep, and complete understanding of the material. The book is about natural numbers, whole numbers, integers, and the operations between them - a knowledge that is used in every single field and studied as a requirement in schools all over the world. This book can...
