

How to Predict Future Lottery Results: Know tomorrow s number today on a month-by-month basis. (Paperback)

Filesize: 5.81 MB

Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

HOW TO PREDICT FUTURE LOTTERY RESULTS: KNOW TOMORROW S NUMBER TODAY ON A MONTH-BY-MONTH BASIS. (PAPERBACK)

AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.After researching the 6/49 lottery system for a duration of 19 years, I have now got valid results which can be put into print. The book is about predicting two number combinations from 6 out of 49 lottery system in the UK and all over the World wherever the 6/49 lottery system is in operation. I have predicted two numbers that should come out from a specific group on a month by month basis. This is challenging the idea that Lottery numbers are unpredictable. As a mathematician and a scientist, I believe that certain elements of the system is predictable and I am hoping that Lottery enthusiasts would like to verify my results. To what extent will my prediction be in agreement with the 6/49 lottery results. If I am proving to be correct for predicting two number combinations, can I prove three number combinations and so on. There will be sceptics but you cannot argue with scientific and experimentally observed results.
