Experiencing the Blessings and Good Fruit of Cancer is an insightful and uplifting look into dealing positively with all aspects of cancer from a patient's perspective. Expect to be blessed and to grow spiritually as you read this incredible book written by a woman with an inspirational attitude like no other. -Kristi Evans, breast cancer survivor and lay navigator, Baylor All Saints Medical Center, Fort Worth; Joan Katz Breast Center Judy has written a beautiful record of her journey through cancer. It carefully describes all that a cancer patient might experience, but is written in such a way as to bring hope and encouragement to not only the patient, but the family and friends who stand with them. There is hope even through the darkest days; and Judy identifies clearly the source of all hope: our Lord, Jesus Christ. Thank you for sharing your journey with us! -Nan Dean, first lady at Travis Ave Baptist Church; Fort Worth, Texas Dr. Stamey's heartfelt gratitude for the blessings that cancer has bestowed upon her speaks to the resilient character that cancer patients have. Her story is even more remarkable because she truly feels blessed despite losing her own daughter to cancer. It has been my blessing as a radiation oncologist to be touched by individuals such as Dr. Stamey. -Dr. Kathryn Shide, MD, radiation oncologist, Texas Oncology; Fort Worth, Texas.
