Xulon Press, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The landscape of Christian history is littered with multiple attempts that theologians have made to articulate a biblical worldview. What often happens is that the technicalities of the language so bog down the principle of faith that the average man or woman has difficulty understanding and clarifying core teachings. Here in this small volume is a grand attempt at placing in one small place a layman's version of conservative biblical theological concepts. Read it. Discuss it. Take the time to validate it with the precious Word of God. Dr. John L. Yeats Executive Director of the Missouri Baptist Convention Recording Secretary of the Southern Baptist Convention This is a pragmatic study guide that gives any reader a basic understanding of Christianity without skimming on profound theological truths that must be taken into consideration as one assesses his or her personal beliefs. This book invites readers to an honest, open inventory of how they really see things and leads them into an intelligent analysis of what the Bible says about God, life and salvation.
