Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.How do the fundamental principles that give us the rights we claim under the Constitution compare with the ideology espoused by socialists? What is the foundation, logic, and critical thinking behind the idea of social justice? What is the enticement for anyone in this nation to support the fundamental transformation of the United States of America, and what happens to personal freedom when one does? This book is a unique take on the social argument that occupies the mainstream media so incessantly today with sound bites, half-truths, and utter nonsense. What are the principles of economics that bring the most prosperity to the most people? An adaptation of the well-known title, *The Wealth of Nations* by Adam Smith, this book examines the unparalleled success of America and the truths and principles that bring us prosperity. Why are there people today who are dead serious about fundamentally transforming America into a Socialist state?.
