It focuses on pre-academic, readiness, and academic skills expected from learners in the early elementary years. Author and experienced teacher Marlene Breitenbach developed these helpful checklists in special-needs and inclusive classrooms while serving children with autism and other developmental disabilities. This flexible tool is great for one-on-one or group assessment! These checklists will help educators: identify current skills and problem areas; develop appropriate, realistic learning objectives; create individualized programs; monitor and measure progress over time; keep clear records for the IEP team and future teachers; and, assess over 40 different skills.
