

## War's Forgotten Women: British Widows of the Second World War

By Helen D. Millgate, Maureen Shaw

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, War's Forgotten Women: British Widows of the Second World War, Helen D. Millgate, Maureen Shaw, The Second World War widows were the 'forgotten women', largely ignored by the government and the majority of the population. The men who died in the service of their country were rightly honoured, but the widows and orphans they left behind were soon forgotten. During the war and afterwards in post-war austerity Britain their lives were particularly bleak. The meagre pensions they were given were taxed at the highest rate and gave them barely enough to keep body and soul together, let alone look after their children. Through their diaries, letters and personal interviews we are given an insight into post-war Britain that is a moving testament to the will to survive of a generation of women. War's Forgotten Women is a moving testament to a generation of women and their will to survive against the odds, to find their voice and to fight for recognition, and to rebuild their live after the tragedy of war.
