Brand New Book ***** Print on Demand *****.We publicly released our review of the status, cost, and completion schedule of the Hiawatha Corridor Light Rail Transit Project in Minneapolis, MN. We found that: The scheduled completion date of December 2004 and cost estimate of \$675.5 million are reasonable. However, tunnel construction, relocation of private utilities, and post-September 11 concerns about security could affect the project s schedule and costs. The project may encounter temporary cash flow shortfalls because costs are expected to exceed reimbursements during construction. In response to a recommendation in our June 2001 draft report, the sponsor s governing board adopted a cash flow management plan for the project.
