Brand New Book ***** Print on Demand *****.Jack Stevens is trying to make it as a screenwriter in Hollywood, a town that goes through writers like cheap paper towels. He barely gets by working a Beverly Hills art gallery and spends most of his personal time breaking up with his girlfriend. Dora Alvarez is trying to launch her jewelry and lingerie business. From the money she saves waiting tables at the trendy French-Japanese restaurant, Le Tentacle, she figures she ll open shop sometime around the next ice age, which she swears will be way before she gets involved in another monogamous relationship. When two of the least respected Gods of Los Angeles, Love and Romance, reroute Jack and Dora onto the bumpy five-lane freeway to love, the car-stressed lovers find themselves put to the test. They ll contend with a vengeful ex-girlfriend, a dominatrix boss, an irresistible TV star, an egomaniacal TV producer, Hollywood backstabbing, and the greatest obstacles of all: themselves! A fanciful, funny, poignant, passionate, kinky, sexy romantic comedy set in Los Angeles, where even gods are only as good as their last gig.
