

## Economic Organisation in Ancient India

---

By Shyamsunder Nigam with a Foreword By Dr. G.P. Gupta

Munshiram Manoharlal Publishers Pvt. Ltd., New Delhi, India, 1975. Hardcover. Book Condition: New. First Edition. This book is a refreshing study of some of the basic issues in the current historical debate on early Indian economy and society. It identifies major trends in the writings on early Indian economic history, and analyses the increasingly oppressive nature of ancient Indian land revenue system and the economic role of early medieval south Indian temples. The author not only makes an assessment of the growing literature on the classical phase of Indian feudalism but also provides a critique of recent studies which claim to demolish the theory of Indian feudalism and seek to replace it by the fragile Chayanovian model of peasant economy and society. Printed Pages: 356. Size: 15 Cms x 23 Cms.
