

Androgyny: The Opposites within (Paperback)

By June K. Singer

Hays (Nicolas) Ltd ,U.S., United States, 2004. Paperback. Book Condition: New. New ed of 2 Revised ed. 226 x 152 mm. Language: English . Brand New Book. Humanity has always been aware of the fundamental duality in the universe. Jungian analyst June Singer posits that this duality is a function of the eternal interplay of opposing psychic energies in every individual throughout history, sometimes appearing as a specifically sexual confusion or psychological disturbances generated by the absence of inner psychic wholeness. In *Androgyny*, Singer interprets the many aspects of human existence in light of the interaction of male and female principles in every individual, as well as the collective to which we belong. *Androgyny* is of vital interest to anyone concerned with the problem of gender and gender relations in contemporary society.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
