## TAI JI JIN: DISCOURSES ON INTRINSIC ENERGIES FOR MASTERY OF SELF-DEFENSE SKILLS

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 186 pages. Dimensions: 8.3in. x 5.5in. x 0.6in. This volume in the Chen Kung Series is a landmark translation and explanation of Taijiquans most profound text the Yang familys secret training journal on Intrinsic Energies (Jin). The commentary brilliantly explicates a work that will be an essential reference for any Taijiquan practitioner. Intrinsic Energies are the profound and marvelous skills of an accomplished Taijiquan master. They are the very foundation of self-defense skills in Taijiquan and are what sets Taijiquan apart and beyond all other styles of martial art. Anyone interested in developing their Taijiquan skills to the highest levels needs to read and study this work. I predict that this will be one of the most important works on Tai Chi yet to be published in English. While the text itself is enlightening, the real pearls of knowledge contained in this book are to be found in Olsons commentary. Concepts and ideas typically mystified by practitioners are masterfully presented in a clear, direct manner. Dan Miller, editor Pa Kua Chang Journal The information in Stuart Alve Olsons six-volume Chen Kung Series, available to the Chinese reader since 1936, covers the entire Yang family system of Taijiquan practice and philosophy. Chen Kungs original Chinese book is a distinct and invaluable resource that is now accessible to English readers through the brilliant translation work and insightful commentary of Stuart Alve Olson. No matter what style of Taijiquan (Tai Chi Chuan) you practice or what level of skill you have achieved, the Chen Kung Series will greatly broaden your knowledge and skills, as it is truly a Masters Program on the art of Taijiquan. This item ships from La Vergne, TN. Paperback.
