## HAUNTED HOUSE HALLOWEEN HANDBOOK

McFarland, 1997. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Every October, schools, civic clubs, scout troops, little leagues and charity groups of all kinds sponsor Halloween "haunted houses" as fundraisers. But where do they go for good information on how to do it? How to make the rotting corpse that scares the bejeebers out of everyone or the demonic knife-wielding doll or the living, beating heart that visitors swear is real? And what about the mundane details (e.g., permits and insurance) that make the haunted house a profitable and safe venture? Where does one find out about that? All aspects of the successful haunted house are covered here. There is good information on site selection, logistics, design, security, budgeting, sponsorship and volunteer management. This is followed by detailed, descriptions of many inexpensive illusions for your haunted house; each is accompanied by illustrations that further explain how to make the effect successful. Floor plans, advertising flyers and design worksheets are some of the sample materials included.
