

Get Outside: The Kids Guide to Fun in the Great Outdoors (Paperback)

Filesize: 6.75 MB

Reviews

Complete information for publication enthusiasts. I have go through and that i am confident that i will gonna go through once more again in the future. Its been printed in an exceptionally basic way and is particularly just following i finished reading through this book by which basically altered me, alter the way i really believe.

GET OUTSIDE: THE KIDS GUIDE TO FUN IN THE GREAT OUTDOORS (PAPERBACK)

Kids Can Press, United Kingdom, 2012. Paperback. Book Condition: New. Heather Collins (illustrator). Original. 236 x 213 mm. Language: English . Brand New Book. Armed with Get Outside, a kid will never say, "I'm bored!" again. This book is a key to the world of fun beyond the front door. Activities are divided into four categories (Nature Lover, Outdoor Fun and Games, Cozy Inside and Look to the Sky), where readers will find instructions for making things like sundials, bird feeders and kites, as well as rules for games such as 500 Up, Spud and Shiny. Accompanying these descriptions are fun facts and scientific, historic and cultural context. The passage on playing jacks, for example, includes a sidebar about a similar game played by the ancient Greeks. Children in Northern climes will love learning to play traditional First Nations winter games and be thrilled to find out how to create a backyard ice rink. It's a wealth of fun and fascination that will captivate any young person --- who won't mind ditching the video game for the great outdoors.
