Chickadee Prince Books, United States, 2014. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. [A] fabulous read! . This YA sci-fi debut sees a [teenage] alien criminal exiled to Earth with dire-and hilarious-consequences . An irresistible blend of wonky science and heartfelt storytelling. -- Kirkus Reviews Entertaining and fun! Heart of Earth will delight readers of every age. -- Foreword Reviews Come to think of it, selling classified intel to Vrukaari warlords was probably a bad idea. In HEART OF EARTH, 17-year old Ixdahan Daherek has way too much time to second guess himself. Exiled to Earth for crimes against the Homeworld, he has a lot to get used to at first -including his first friendship with a human high school girl, Lena Gabrilowicz (not to mention the whole concept of feet). But soon he s got bigger problems: The Vrukaari are mounting a brutal invasion of Earth. From the moment the first mutant mailbox appears, Ixdahan is in a race against time. With the help of Lena and his other human friends, he hatches a plot requiring ingenuity, tight telepathic control and the captain of the girls varsity swim team. But at five minutes to Doomsday, the race is too close to call. Will Ixdahan s counterattack be stopped by a tentacled police force, a teenage zombie or an aural hallucination with a serious attitude problem? Only one thing is certain: when zero hour arrives, the fate of Earth may depend on a shimmering bowl of lime Jell-o.
