

A Girl Among the Anarchists (Paperback)

By Isabel Meredith

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In spite of the fact that there are certain highly respectable individualists of a rabid type who prefer to call themselves Anarchists, it must be owned that it requires some courage to write about Anarchism even with the sympathy befitting a clinical physician or the scientific detachment of a pathologist. And yet it is certain that Anarchists are curiously interesting, and not the less in need of observation from the fact that apparently none of the social quacks who prescribe seriously in leading articles has the faintest insight into them as a phenomenon, a portent, or a disease.
