Brand New Book ***** Print on Demand *****.Excerpt from The Filling of Teeth With Porcelain (Jenkins s System) A Text Book for Dentists and Students The gratifying fact that the use of porcelain as a material for filling teeth is constantly growing, and that in consequence of the good results achieved the number of those who have in view the adoption of the new method is steadily increasing, has prompted me to undertake a detailed description of this innovation which undoubtedly has a weighty significance for the future of operative dentistry. The present work is intended to afford to the beginner who is unacquainted with this method of filling, a knowledge of it in all its scientific bearings, and to be a faithful guide and adviser during his practical study of it; but I hope it may also give to those who are already skilled, various information hitherto unknown to them and much that will stimulate them to independent work in this field. The preparation of porcelain fillings is a labor demanding much endurance and patience, and not a small degree of accuracy and...
