By Participant Media, Karl Weber

The Perseus Books Group. Paperback. Book Condition: new. BRAND NEW, Last Call at the Oasis: The Global Water Crisis and Where We Go from Here, Participant Media, Karl Weber, "If there was a price placed on clean water we might start treating it like it has value. Maybe when it's gone we'll realize we can't drink oil or money." -Dave Matthews Less than 1 percent of the world's water is fresh and potable-and no more will ever be available. Thanks to pollution, global warming, and population growth, water access is poised to become today's most explosive global issue. This book, based on the film Last Call at the Oasis by Academy Award(R)-winning director Jessica Yu, offers insights into the coming water crisis from visionary scientists, policymakers, activists, and environmentalists, including: * ROBERT MORAN on how oil and mineral development pollute and divert water supplies-often beyond public scrutiny * PETER H. GLEICK on discovering the "soft path" to global water security * ROBERT GLENNON on how the power of markets can help protect the world's water * LYNN HENNING on how a family farmer became a passionate "water activist" * ALEX PRUD'HOMME on how the water crisis affects us all *...
