

Not Just Another Cookbook Vol. 1 (Paperback)

Filesize: 7.11 MB

Reviews

*Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion.

Nancy Bartlett Stewart, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the first of ten volumes. They re progressive and cover everything food and diet related. When you have all 10 volumes you can cook for 5 nights a week for 10 years and never cook the same meal twice--unless you want to! Take this book to the grocery store, to the stove, to the table and the sink. It s cooking with an attitude. Simple food, that s simply delicious. Complete menus, including breakfast, lunch and dinner, plus dessert. Balanced daily and weekly diets, but not a diet cookbook. I ll stand by your side and teach you to how to do everything I ve learned in my 60 plus years of cooking in detail. The shortcuts, as well as the long way. If you ve never cooked, I ll make it easy and fun to learn. If you ve cooked for years, I give you some new ideas for feeding your family. It s like an encyclopedia of cooking, telling you when to, how to, and what to do it with. It s truly not just another cookbook, and when you read it, you ll know why.
